

ZIMBRA CHAT

Connect Instantly and Securely with Zimbra Chat

Elevate your team's communication with Zimbra Chat (now available with Zimbra Daffodil 10.1.7 and above) – a secure, real-time messaging solution that prioritises your privacy and data sovereignty, giving you full control over your information.

Choose the Chat Experience That Fits Your Needs

Basic Chat

Ideal for quick, one-on-one conversations. Seamlessly integrated into your workflow for personal communications.

Advanced Chat

Unlock powerful collaboration features:

Group chats, chat search, channels and file sharing.

For detailed guidance, refer to the Zimbra Chat [User Guide](#) and [Administrator Guide](#).
